

# EntryFresh

EntryFresh is a highly effective hard wearing entrance mat designed to manage moisture and dirt control in high traffic areas. Constructed of polyamide twisted fibres with double reinforced boarder, the mats all have an anti-slip gripper, 100% nitrile rubber backing that prevents mat movement. EntryFresh is available in a range of shapes, sizes and colours to suit any environment.

## Features

- **Typical applications:** An all round high-performance mat, ideal for entrances in schools, universities, public buildings, sports facilities, shopping malls and offices.
