WG-310R COMFORT

The Wonder Grip® WG-310R Comfort is a glove with a double latex coating constructed on a 13-gauge polyester liner. Thanks to Wonder Grip Technology™, the coating provides users grip and resistance in dry and slightly wet environments. WG-310R Comfort offers high levels of comfort and sensitivity making this glove the must-have solution for performing specific tasks in a dry or wet environment. The double coating improves abrasion resistance for a longer life.

KEY FEATURES

- ✔ Thin and soft liner offering suppleness and dexterity
- ✔ Excellent tactile sensitivity with superior comfort
- ✔ Tailored to the natural shape of the hand, reducing hand fatigue and increasing comfort
- ✔ High grip performance for precise handling in dry-to-wet applications

TYPE OF PROTECTION
